New Option for Giving Our Offering at Worship

Zelle is now an option for giving our offering on the Lord's Day, recognizing that in the current economic culture, checks and cash are not the most convenient option. The church has set up a Zelle option for those members who prefer an electronic method of giving.

Please remember that the Zelle option does not determine God's Word regarding our responsibility to give. Giving according to the scriptures requires it to be performed on the first day of the week to be acceptable to God.

I Corinthians 16:1-2

¹ Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye. ² Upon the first day of the week let every one of you lay by him in store, as God hath prospered him, that there be no gatherings when I come.

For those that have access to Zelle your offering can be transferred using the church email address (eloycoc@outlook.com). The name of the business to be entered is Eloy Church of Christ. The name and date of your offering will be recorded in the bank records.

Using Zelle will not prevent the provision of an annual statement of giving for those members who include their offering with their tax return statements. If you have any questions regarding this new option, please contact Brother Stuart Fain.
